Doggy Haven  
RESORT

Because your dog  
deserves the best...

Boarding  
& Daycare  
for socialized dogs

Experience Doggy Haven Resort and you will know it is like no other dog boarding and daycare facility. Each day at our nearly five acre peaceful, countryside resort is filled with fun, friendship, stimulation and relaxation to ensure that dogs of all shapes, sizes and breeds are happy, exercised and entertained.

According to the Seattle Times (2/06): "Doggy Haven Resort is, in a word, fancy. It's nothing short of an extended doggie recess, and it all happens under the watchful eye of trained canine companions.

And when the day is done, the worn-out tail-waggers retire to one of the climate-controlled suites complete with fleece beds and light music, not to mention the options of massage and wholesome, specially-prepared cuisine."

At Doggy Haven Resort, we believe that dogs should be allowed to socialize and play with one another during their stay. Our guests are allowed to romp and play under the watchful eyes of our trained canine companions – **all at no additional charge!**

After a full day of play and social activity, Doggy Haven boarding guests retire for the evening to their cozy suites, complete with fleece-covered beds and soft music. Our daycare guests leave the Resort to spend their evenings at home, quiet and relaxed after an invigorating day spent with friends.

Because of our unique approach to daycare and boarding, you can rest assured that your dog will have fun, experience less stress and sleep well. In short, your dog will know that he or she is safe and is a much loved member of our great canine society.

**Doesn't your dog deserve the best?**

That's why we've created Doggy Haven Resort.

## Boarding

Doggy Haven Resort is an all-suite dog hotel offering cozy accommodations for overnight canine guests. Each suite is furnished comfortably for rest and relaxation with soft music played throughout the night. The facility is climate-controlled and gently warmed through radiant-floor heating to keep all of our guests comfortable.

**Boarding dogs are included in group playtime, 9 to 10 hours every day, as long as they are friendly to other dogs and people. Group playtime is provided at no additional charge!**

We offer three suite-types: **Regular Suites** include a comfortable bed with soft, clean bedding, plus water and food bowls. Our **Deluxe Suites** include Regular Suite amenities, plus large windows looking out to the play-yards and TV/VCRs so dogs can watch a favorite video or home videos of you and your family. Our **Double Suites** feature two Regular Suites with an adjoining door! Two (or three small) dogs may share a single Regular or Deluxe Suite.
